In consequence, of the almost total failure of the wheat crop in Ohio, farmers should now turn their attention to such other crops as will yield them a certain revenue. Potatoes, sorghum and broom-corn should be planted in abundance. Broom-corn especially will command a good price, as over \$3,000,000 are paid every year in Ohio alone for brooms .-Speaking of brooms, reminds us that much of this vast expense can now be saved to consumers by purchasing Power's Perpetual Broom. This broom-head will last a lifetime, and enable every one to manufacture his own brooms at a cost of not over ten cents each. Mr. J. M. Kerr, at Hamden, is Whisky...... 3 00 agent for this county.

1. Lightness .- It being not perceptibly heavier than a common tied broom. 2. Beauty.-The head of polished brass

makes the broom so attractive, that the ladies universally say, "What an elegant broom.

3. Durability.-Hundreds have tried the strength of this broom, and after weeks of such trial as no other broom in Ohio would stand, it is yet as good as new.

4. Economy .- After the first outlay, ten cents will furnish you a new broom, and if you can raise the broom-corn, even this expense is obviated.

To FARMERS .- We would call the attention of the farming community to a new patent gate, known and designated as Smelley's Improved Farm Gate, that is just now being introduced into Ohio and other of the Western States. The superiority and simplicity of this gate, together with its cheapness and durability, being much cheaper than the ordinary gate, recommends it to the favorable consideration of LARD-In Bbls & Tierces all, and cannot fail to bring it into general use wherever it is presented.

It is made entirely of inch lumber, without mortises, the bars being fastened by a TOBACCO-Seed Leaf. small iron bolt at either end, leaving the space between the bars open, thus giving the gate play vertically so that the outer MAPLESUGAR--In blocks per lb end can be thrown to any elevation that may be desired, where it is kept by means of a movable brace, resting at the upper EDUCATIONAL end upon a ratchet; by this means, when the gate sags, as it will by long use and exposure, it can be brought to its original elevation in a moment, and made to swing McArthur High clear, by simply raising the outer stile until the brace drops into the next notch in the ratchet.

This gate is now on exhibition at Hulburt's Hotel, in McArthur, where township, county and individual rights can be obtained at fair figures by applying to D. R. Walden immediately, as his stay will be short in this place.

# GREENBACKS GOOD!

OBACK'S STOMACH BITTERS, after years of experience and trial, have proven to be the best remedy extant for all complaints where a tonic and stimulant are required. They never fail to strengthen the weak, impart

vigor to the strong, and in all respects restore shattered and broken-down ions. No remedy has been received with as much favor as Ro-BACK's STOMACH BITTERS. In Chicago

VER 50,000 bottles were sold by one drug-house in the past year. It is ad-mitted by our most learned physicians that Dr. ROBACK'S STOMACH BIT-TERS combine the properties of a gentle laxative, an efficient anti-bilious

agent, and the best stomachic known to the world. ROBACK'S BITTERS should be used by convalescents to strengthen the prostration which always follows acute

ILIOUS districts of the West and South there has, for a long time, been much needed an article of STOMACH BITTERS, which, if taken in proper quantities, and at the proper time, are a sure preventive of Bilious Fever,

Fever and Ague, Liver Complaint, Dyspepsia, Indigestion, Jaundice, Kidney oplaint, and all diseases of similar nature; and are better as a preventive for billious derangement, regulating

ND strengthening the system, and giv-ing tone to the digestive organs, than any other known remedy. Now that the war is over, there will be thousands seeking homes in the South. No per-son who values his life should go there

without having constantly at hand the BITTERS, as a safeguard against epi-demic and maladies engendered by mi-asma and polluted water. Travelers and all residents of the rank river-bot-

Hoop Skirts.

NEW SKIRT FOR 1866.

The Great Invention of the Age in HOOP SKIRTS. J. W. Bradley's New Patent Duplex Elliptic (or double) Spring Skirt. The invention consists of Duplex (or two)

The invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, ingeniously braided tightly and firmly together, edge to edge, making the toughest, most inflexible, chastic, and durable Spring ever used. They seldom bend or break, like the single springs, and consequently preserve their perfect and beautiful shape more than twice as long as any single spring skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as

easily and conveniently as a slik or muslin casily and conveniently as a slik or muslin dress.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Steat Spring Skirt for a single day will never afterwards dispense with their use. For children, Misses and young ladies they are superior to all others.

The hoops are covered with two ply double twisted thread and will wear twice as long as the single yarn covering which is need on all Single Steel Hoop Skirts. The three bottom rods on every Skirt are also double steel, and twice or double covered to prevent the covering from wearing off the rods when dragging down stairs atoms atoms.

from wearing off the rods when dragging down stairs, stone steps, etc., etc., which they are constantly subject to when in use.

All are made of the new and elegant corded tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest, most durable, comfortable and economical shirt ever made.
